GAME PROGRAMMER

PERSONAL STATEMENT

My name is Callum Metcalfe, and I am a Game Programmer studying BSc (Hons) Computing for Games in my final year at Falmouth University. My main areas of Games Programming is Gameplay and AI Programming. I am currently working on a student team called Mediocre Reality where we are in the process of making BladeGunners.

HOBBIES

My main hobby is playing video games with my main genre FPS games, but also also enjoying action and adventure games. In addition to this I like to build computers and help others with building there own, with this it means I like to keep upto date on current hardware and technology.

SKILLS

C++
C#
Unreal Engine 4
Unity
Git
Agile Workflow
